

## **Audition information and tentative rehearsal schedule**

First round of auditions: Wednesday, February 4th at 4pm (sing and dance). Callbacks (by invitation only) on Monday, February 9th at 4pm.

Singing: We will provide you options from the show that you can choose from OR you can choose your own song. You must have sheet music. No "happy birthdays"

Dance: Dress comfortably as a dance combo (not tap) will be taught. We will ask you if you would like to show us a quick tap combo, you can. This is NOT a requirement for the audition and will not hurt you if you choose not to do that. There is ONE tap number in the show. So don't stress about that!

Official rehearsals will begin the Monday after Girls Show, March 9th. We will have music and dance rehearsals in February for those who can make it.

You MUST be cleared by March 9th to participate in the show. Check with the nurse if your physical is valid. All students must register on the PV website under "Athletics"

Show dates: We are ONE week earlier this year to avoid AP testing. Show dates are April 30-May 2 at 7pm

There are NO outdates after we return from spring break on April 13th. Attached is a TENTATIVE calendar.

Bucks County Theater Festival is March 26th. If cast, you are required to attend.

All students are required to attend strike which is tentatively scheduled for the Monday after the show. If you do not attend, you will NOT receive your activity points.
